Two Minute Smile Makeover Test

Let's take a quick 2 minute Smile Makeover Test to see if you can benefit from the exceptional services that we offer.

- a) Do you see stains on your teeth?
- b) Are your teeth dull or darkened?
- c) Are there gaps and spaces between your teeth, or are they uneven?
- d) Do they seem out of line with each other?
- e) Are they crooked and go in different directions?
- f) Do your teeth seem too small or too large?
- g) Are the edges chipped?
- h) Do your gums show too much or are they irregular?
- i) Do your teeth slant in any way?
- j) Have your gums receded?
- k) Do your teeth with crowns seem to be a different color than your natural teeth?
- l) Are you missing any teeth?
